

YOUR KIDS COUNT

Newborns, babies, toddlers, small children...just no dogs.

Care about your kid's future? Count them now!

1 million kids under the age of 5 were not counted in the 2010 Census so vital services lost \$2 billion in funding. That's \$2,300 per kid per year to be exact!

Help Colorado count all its kids in 2020 so we have money for:

- Schools and buses
- Subsidized lunches
- Child care and early childhood education
- Special needs and English as a Second Language programs
- Healthcare
- Emergency services
- More!

Do your kids live in multiple households?

- If so, they should be counted where they live more than 50% of the time.
- If they spend equal amounts of time in two homes, count them where they are on April 1, 2020.
- Parents and guardians should discuss who will be counting their children.

Don't count your kids if:

- They don't live with you more than 50% of the time
- They live in a college dorm
- They live in military housing
- They live in a household of their own

When everyone participates,
we all win.

Complete the 2020 Census
by April 1st!

CENSUS 2020

IT'S AS IMPORTANT AS YOUR VOTE!

WHAT IS THE CENSUS?

A constitutionally required ten-year count to produce statistics of all people, young and old, living in the US regardless of citizenship.

HOW DO I PARTICIPATE?

Starting March 12th:
Online at www.2020Census.gov, Call the census call center, Mail-in form

KEY DATES

- April 1st: Census Day
- May-July: Census representatives visit homes of people not responding by April 1
- December: Data delivered to the President and Congress

WHY PARTICIPATE IN 2020?

1

It's Important for:

- \$13+ billion in federal funding for schools, emergency services, roads/transportation, hospitals, health clinics, public works, food stamps and more
- A voice in government - Boundaries for voting areas and House of Representative seats
- Important decisions by governments, businesses and nonprofits

2

It's Easy – 10 Questions/10 Minutes!

- Number of people living or staying in your home on April 1, 2020
- Plus basic information like name, sex, age, date of birth, and race
- Only ONE census form per household.

3

It's Safe - 100% Confidential

The law guarantees your personal information and answers cannot be used against you by any government agency and cannot be shared with ICE, FBI, CIA, welfare or the Department of Homeland Security.

4

It's Not Personal

The census does not ask for social security numbers, personal identifiers or citizenship.

Our community will lose \$2,300 a year for each person who doesn't complete the census. When everyone participates, we all win. **Complete the Census 2020 by April 1st.**
