

# CENSUS 2020

## IT'S AS IMPORTANT AS YOUR VOTE!

### WHAT IS THE CENSUS?

A constitutionally required ten-year count to produce statistics of all people, young and old, living in the US regardless of citizenship.

#### HOW DO I PARTICIPATE?

Starting March 12th:  
Online at [www.2020Census.gov](http://www.2020Census.gov), Call the census call center, Mail-in form

#### KEY DATES

- April 1st: Census Day
- May-July: Census representatives visit homes of people not responding by April 1
- December: Data delivered to the President and Congress

#### WHY PARTICIPATE IN 2020?

1

##### It's Important for:

- \$13+ billion in federal funding for schools, emergency services, roads/transportation, hospitals, health clinics, public works, food stamps and more
- A voice in government - Boundaries for voting areas and House of Representative seats
- Important decisions by governments, businesses and nonprofits

2

##### It's Easy – 10 Questions/10 Minutes!

- Number of people living or staying in your home on April 1, 2020
- Plus basic information like name, sex, age, date of birth, and race
- Only ONE census form per household.

3

##### It's Safe - 100% Confidential

The law guarantees your personal information and answers cannot be used against you by any government agency and cannot be shared with ICE, FBI, CIA, welfare or the Department of Homeland Security.

4

##### It's Not Personal

The census does not ask for social security numbers, personal identifiers or citizenship.

Our community will lose \$2,300 a year for each person who doesn't complete the census. When everyone participates, we all win. **Complete the Census 2020 by April 1st.**
