

# ATTENTION SEASONAL WORKERS

Complete the census to show your love for Colorado.

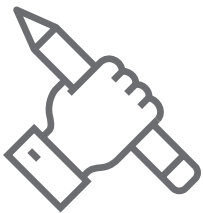

**Resident. Non-Resident. Citizen. Undocumented. Green card. Work visa. We all count.**

If you are physically here on April 1, 2020, Colorado needs you to complete your census.

Colorado could lose \$2,300 per year (for the next ten years...think \$23,000!) for each person who doesn't count themselves. This means less money for important things like:

- Schools
- Emergency services
- Roads/transportation
- Hospitals and health clinics
- Food and financial support for the needy
- More!

*If you are here on April 1st, you are a local. Complete the census to help your community get the funding it needs for the next decade.*

When everyone participates,  
we all win.

Complete the 2020 Census  
by April 1st!
